

# THE DIMOCK CENTER

Healing and caring for the community for over 150 years.

## Dimock Management to Accelerate INtegration (MAIN) Advisory Team

### Why participate:

Dimock MAIN staff, with the support of Boston Children's Hospital, is offering community health centers an opportunity to reflect on your Behavioral Health Integration approach and discuss specific strategies for the future.

### Registration is now open!

*Offering two consultations, of one hour each, to participating community health centers*

*Please complete our registration form to participate*
